

FREE PRIVATE WELL WATER QUALITY TESTING

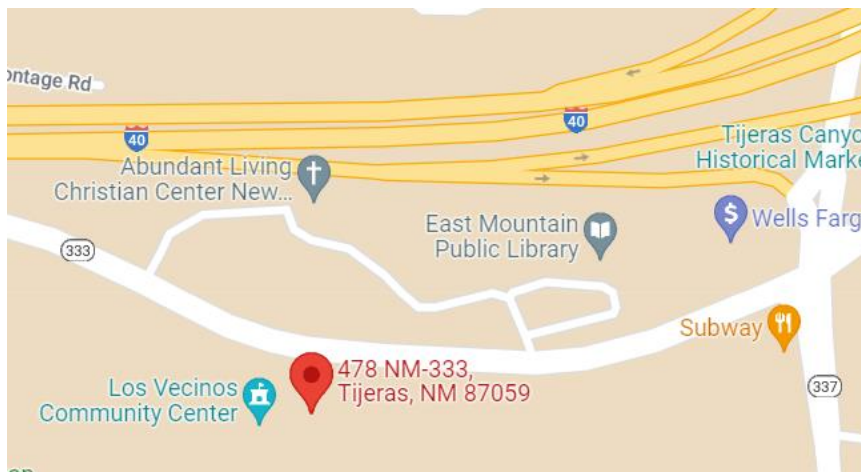

WHAT: NMED and NMDOH will be offering up to 100 free water tests for private wells serving homes not connected to a public water utility in Tijeras and surrounding communities.

WHEN: Sunday, September 25, 2022 from 12:00PM – 5:00PM

WHERE: Los Vecinos Community Center

478 NM-333

Tijeras, NM 87059

HOW TO COLLECT WATER SAMPLE:

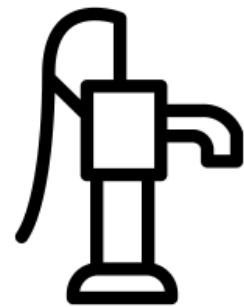

1. Fill a clean glass or plastic container without any strong odors, with at least a quart or a liter (i.e. 32 OZ) of your well water.
2. If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
3. Let the water run 2-3 minutes before collecting the sample.
4. Collect the sample as close to the time of testing as possible.

At the event, we will be collecting information about your well (i.e. well construction information).

TESTS INCLUDE:

pH, Electrical Conductivity, Nitrate, Iron, Sulfate, Fluoride and Arsenic
