

Free Private Well Water Quality Testing Clovis, NM

AUGUST 16, 2025

NMED and NMHealth will be **offering up to 100 free water tests for private wells** serving homes not connected to a water utility in Curry County and surrounding communities in New Mexico.

August 16, 2025

10 a.m.–2 p.m.

Curry County

Home and Arts Building
Curry County Fair
1900 E. Brady Ave.
Clovis, NM 88101

Test include:

- pH
- Nitrate
- Iron
- Sulfate
- Fluoride
- Arsenic
- Electrical conductivity

HOW TO COLLECT A WATER SAMPLE:

- ✓ Fill a clean glass or plastic container with at least a quart (or 32 oz.) of your well water.
- ✓ If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
- ✓ Let the water run 2–3 minutes before collecting the sample.
- ✓ Collect the sample as close to the time of testing as possible.
