

Free Private Well Water Quality Testing Dexter, NM

MARCH 29, 2025

NMED and NMHealth will be **offering up to 100 free water tests for private wells** serving homes not connected to a water utility in Chaves County and surrounding communities.

March 29, 2025

9 a.m.-1 p.m.

Chaves County

113 Monroe Ave.

Dexter, NM 88230

Test include:

- pH
- Nitrate
- Iron
- Sulfate
- Fluoride
- Arsenic
- Electrical conductivity

HOW TO COLLECT A WATER SAMPLE:

- ✓ Fill a clean glass or plastic container with at least a quart (or 32 oz.) of your well water.
- ✓ If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
Let the water run 2-3 minutes before collecting the sample.
- ✓ Collect the sample as close to the time of testing as possible.
